A Personal Note from Lisa

Holland is near and dear to my heart. Did you know that I lived in the Netherlands for several years and that two of my children were born there? My eldest is named after the country, Holly Lynn. Join me as we travel through this very beautiful country in April.

We will be hiking and biking, touring, smelling those beautiful Tulips and tasting the delicious food! Holland is my second country and by traveling with me, you will feel my passion and love for this country and it's people.
